POMP TO MARK CARDINAL'S JUBILEE

Baltimore, Md., April 5.—Services rivaling in magnificence any heretofore held in the Roman Catholic Church in America will mark the celebration next June of the 50th anniversary of Cardinal Gibbons' ordination to the priesthood and the coincident 25th anniversary of his elevation to the cardinalate. Plans for the double jubilee already are well under way. The celebration will be participated in not only by all the distinguished dignitaries of the church in America but also by a delegation of eminent churchmen sent from Rome. One of the chief features of the observance will be a solemn pontifical mass at which an offering will be taken up, which will be added to the building fund for the Cardinal Gibbons memorial hall at the Catholic University in Washington.

I have bought the Stansfelds' restaurant. A continuance of the patronage of the public is solicited. Special attention will be given to lunch counter trade.—Budd McPeck.
